From IESE classroom to entrepreneur, innovator, and investor

"The **future isn't a place you go
but a place you create."**

Every leader can be an entrepreneur

*"IESE broadened my horizons with deep business knowledge and real-world problem-solving. The program's focus on the individual made me a better entrepreneur and a better **person**."*

Elo Umeh (GEMBA and 40under40)

*"Pursuing an academic and research career at a prestigious business school is an incredible opportunity. As a doctoral student in entrepreneurship, IESE's rigorous training and the chance to work with world-renowned **scholars** is invaluable."*

Ann-Sophie Kowalewski (PhD)

*"The Master's program at IESE provided a unique opportunity to enhance my business knowledge and skills. The insights and **advice** I received from IESE staff and professors on my startup business idea have been invaluable as a young entrepreneur."*

Marc Gascón (MiM)

*"As a CEO and Founder, studying at IESE has shaped my decision-making. The program's comprehensive approach has equipped me with practical tools to make informed and strategic decisions. Moreover, access to a diverse professional **network** has also provided me with high-value connections and innovative ideas."*

Ignacio Rodés (PDG)

*"IESE has been key in my academic endeavors, deepening my knowledge and expanding my network in the global business arena. The mentorship from the Entrepreneurship and Innovation Center was excellent, providing great insights and **guidance** for my entrepreneurial pursuits."*

Stan Yu (MBA and 40under40)

*"The relationship with IESE is amazing. Every year I get to come back and be part of the MBA through **cases** based on my business. I love joining some of the classes and hearing what students have to say about my company."*

Ana Maiques (AMP)

*"My experience at IESE, especially through the EMBA program, has been **transformative**. At first, some case studies of large companies seemed distant from my business realities at that time, but as my company grew, I discovered their relevance and continue to apply those lessons in my daily work."*

Cristina Aleixendri (EMBA and 40under40)

For social good

*"Entrepreneurship is part of our school's mission. We aim to develop leaders who will have a deep and lasting impact through their professional excellence and spirit of service. Successful entrepreneurs, those with a real sense of purpose, provide a great service to **society**."*

Prof. Franz Heukamp
IESE Dean

*"Entrepreneurship is one of the streams of **thought leadership** that the school develops not only in academic journals but also in applied outlets."*

Prof. Gaizka Ormazabal
Associate Dean for Research and the PhD Program

*"Entrepreneurship is the ability to craft, develop and grow new opportunities, both through start-up projects and within existing firms. The value of an entrepreneurial **mindset** is transmitted through all our activities."*

Prof. Christoph Zott
Academic Director of Entrepreneurship and Innovation Center

*"Entrepreneurship needs more than academic knowledge to flourish. This is why the school has developed a full and connected **ecosystem** to support our students, alumni, and society to build solutions for a better tomorrow."*

Josemaria Siota
Executive Director of Entrepreneurship and Innovation Center

Entrepreneurship and innovation | Pioneers - growth - excellence

IESE was the first European business school to teach entrepreneurship at its MBA program in 1974-1975.

Since then, the school's entrepreneurship and innovation activity has grown in quality, quantity, connectedness, and impact.

Global indexes in entrepreneurship and innovation have recognized this positive impact, ranking the school as one of the leading institutions in this field.
